“ As you are beginning Suzy's celebration of life, I am feeling such sadness at her loss, but such gratitude for the blessing of having The Fleet family as such a significant part of growing up. Suzy was my first "REAL DOLL BABY", and I remember the day Mayme brought her home from the hospital. Though the closeness of that time was limited to childhood memories, Facebook give me insight to the woman, Mom, Wife, and Grandmother she was. Always smiling.. delighting in her family. To you all Mark, Brandon, Miranda, Brad and the extended family, I'm sorry I could not be there to celebrate with you. Praise God she is pain free and smiling again!
