“ I’m so sorry for your family’s loss. Even though we lived far apart and didn’t get to spend as much time together over the years, I’ve always held onto the memories from when we were kids. All six girls running around and playing in the woods behind the house while our parents visited, just being carefree til late at night. Those moments will always be special to me.

I also remember being at her wedding, hearing “You Light Up My Life,” and just thinking how beautiful everything was. Tammy had such class and a sweet spirit with an absolutely infectious smile. She was someone who brought warmth and light to everyone when she entered the room.

Tammy’s strength through such a long battle was incredible, and I know she touched so many lives with her kindness. She’ll always be remembered that way. Sending love, prayers and peace to the family during this difficult time. □
