“ It was pleasure and blessing to be Theata's friend from the first time we met.. We shared many of the same interests and were both longtime crafters. Some of my best days were spent with her at Two Moms while having a vendor booth there. We worked and laughed and prayed. Many times I was a part of Theata forming a prayer circle around a customer needing prayer. Although our way of communication with each other was altered greatly during these last several years, we still were able to relate to each other. I know that our hearts remained connected. My heart goes out to her wonderful Murry who was so devoted to her. May God bless you and help you to heal and give you much needed rest. I will miss my friend, but the memories we made will live on until we meet again one day. And on that day, Theata's words will flow freely once more and we will laugh and talk forever.

“ I couldn't say enough good things about this angelic lady. Mrs Theata always had a smile for everyone. Always had such a sweet angelic spirit about her. Two Mom's Creation's had a good run in Gilmer, until her initial stroke several years ago. She was an awesome business woman, a great cook, a dear friend, and so much more. We will dearly miss you Theata. The good Lord has gained another angel in his heavenly choir. God Bless the family, Always.
