“ My dearest Theresa I will always treasure you. I remember all the times we would get together - baby showers, births, birthdays, weddings, holidays, lunches, etc. We had great times celebrating, playing games, bbq's, talking, giggling and watching the kids grow up. So many bonds built. You have left a legacy for all of us to follow - kindness, compassion, strength, love and how to have positivity throughout life's challenges. I am so grateful God brought you into my life and let me be a part of your journey. Sending love to Keena, Taylor, Alanna and to all your friends and loved ones. You will forever be remembered sweet angel. Love you, Karen Freeman
