“ My total love and respect for Thomas was generated observing his faithful support of Pat on the many occasions that meetings and huddles occurred associated with the building of the Heritage Center. Pat's and Thomas's hard work and personal resources were indispensable in the Center's creation. Pat's great love and devotion to the cemetery is often demonstrated and Thomas supported Pat in this love illustrated by commitment of time.....

Bro. Wright was Ron's Home Teaching companion from 2014 to 2022. He always brought us the most beautiful huge Poinsettas every Christmas and was always available to give me a blessing anytime I needed it. We will miss him so much.

Sorry for your loss Pat. You and Thomas befriended me while working in the oil fields for two summers while attending BYU. You have been friends ever since. Sorry, I can't be there for the funeral.
