“ *The greatest man I 've ever known. He could leap tall buildings and was faster than a speeding bullet. He will always be my Superman. Loving husband, and father, devoted friend and neighbor. Loved his country and was proud to have defended during the Korean War. Hardworking and provided for his family both financially and stood with them thru hard times. His Christian example is there for everyone to see. You will be missed Daddy and I will meet you again soon! Love, Karen*
