I remember her a few days ago. days that I went with my parents since they live right away from their house and she was walking with her dogs she looked so happy we always arrived at my father's house and my children greeted her when she was outside it is a great loss I accompany them in their pain God them of strength to go through these difficult moments

“ Oh sweet Tiffani you are going to be missed very much. I remember her walking into her first day of band not knowing what to do. As I walked over there to help her I knew she was going to be such a sweet friend. She would always be standing in the stands at a football game making me laugh and making funny jokes. She always had a beautiful smile on her face everyday. I will miss my best friend tremendously. ❤️

“ This is part 2 of my comment but everyday in band I always sit down in my spot and I look up and look at Tiffani and she always had her head turned back to me looking at me with her pretty eyes and smiling. I’m gonna miss that so much. Band ain’t gonna be the same without her sitting there. 😊 Also those sunflower boots was the cutest.
