“ Always a kind word and an easy gentle smile, that is what I knew of Todd, and that everyone spoke well of him. I pray that God's Grace and Mercy be over you and his beautiful children as you walk through this unimaginable loss. May time soften the blow and lessen the sting of your loss, leaving only the sweetest memories of a loving husband and father, a life well lived and all too short. Peace be with you all.

“ *just something I wanted to share with Todd's family. I was at the annual recognition ceremony this year for employees with Todd there representing administration-shaking hands and handing out certificates. Everyone joked with him about him not being a "hugger" so all the men in particular went out of their way to give him big hugs as we accepted our awards. I could tell by those that really knew him that he was well loved. He will be missed. Sincerely, Joanna Pierce RN*

“ We are saddened beyond words for Todd's early departure. We was an exemplary human being and professional. He fought thought this battle with all he had along with the amazing healthcare providers and of course, Terri.
