

Tommy Ray Gibson

September 27, 1942 - March 22, 2026

Tommy Ray Gibson, 83, of Gilmer, Texas, was born on September 27, 1942, in Harrison County, Texas, to Clarence Herman Gibson and Molly Sue Waldron Gibson and passed from this life on the morning of Sunday, March 22, 2026.

Tommy worked in construction and built many houses throughout this area. Tommy loved listening to music. Hank Williams Sr. and Alan Jackson's Gospel were his favorite music to listen to.

Special appreciation and love go out to his Kindful Hospice nurse, Jessica Garcia, for being so kind and patient; CNA, Adana, and other hospice nurses, John and Ariel; pastors, Mitch and Wayne; and to Social Worker, Donna for her kindness and love. Without their help, it would have really been tough.

Tommy's request was to go out of this world quietly. No service or memorial has been planned.
