“ My condolences to Tony's family and friends. Looking at Tony's photos, I saw what a loving orbit his world had with you. I admire his life of service to others through the fire department and his job.

Tony and I were in the Class of 1978 at Winnsboro High School. I remember him as a kind and funny guy. In the times of social media, we kept a loose connection through Facebook and I'm glad we did. Years before that, I was in Gilmer covering a story when Tony and I saw each other through a store window and had a quick conversation on the sidewalk. That I remember that nice surprise 40 years later says it all about Tony.

May Tony rest in peace with God in Heaven and his loved ones be comforted by their memories.

“ I’m so sorry for the loss of Tony. He was my husbands boss for a few years, and a really good man. This is the only picture I have of him, from when he attended our wedding. I wish nothing but comfort to all his family and friends.
