“ Barry’s dad Vernon and I were 1st cousins. That made Barry and me 1st cousins once removed. I remember him most as a child and young man. Very handsome and kind and the father of three beautiful daughters that I’ve had the pleasure to know.

“ I love you Barry, you were an amazing big brother! You always loved me and were the best at brushing the tangles out of my long hair when I was little (only person that didn't make me cry). I'll miss our text and hearing your voice which sounded just like our sweet daddy's voice. You gave me comfort when we lost daddy and I'll always cherish our last visit together.
