“ Sweet young Walker lives in the hearts of all the teachers of his
Sunday morning Hope bible class. His presence brought such joy
as he entered. Always such a sweet spirit with his intense focus on
the multi battery operated learning activities his mom and dad
packed in his bag. For sure his communication skills were so good
to let us know when he was ready for the next one.
He was truly a blessing, to bring such strong love to us. We are
forever humbled to have spend such a short time with Walker that
impacts our lives until we spend eternity with him.
