“ I will always remember Walter Ray as a good Ole country boy. He loved the outdoors and often went hunting and fishing with my Papa Ervin Marsh. My sympathies are with his daughter, as we have lost another member of our family.

Sincerely

“*Felicia, my heart goes out to you. Walter was a good friend and will be remembered as a kind and a gentle man. I've hunted with him, fished with him, and gone to many bluegrass shows with him. I also worked with him for several years at Gilmer Potteries. He was even my Brother-in-Law for a time. Always willing to lend a helping hand when needed. May the Lord provide you comfort in dealing with his passing.*
