“ Beautiful couple. I've known many years going to church with the Snow family. They always seemed Happy and content . They loved family. Todd & I graduated together. I'm sorry for your loss but I think it's beautiful that the Lord chose to take them so closely together. May peace and comfort be yours in the days ahead.

“ I have very dear memories of this family growing up in the same church with their children. Their quiet loving and caring spirit was always present in everything they did. I will never forget those vacation Bible schools and the special picnics we had, youth choir and youth group. I love each of you and thank God for the influence of Godly people like your folks in my life!

“ Special prayers for your family at this difficult time. Wanda was my daddy's first cousin. I missed seeing her over the years. Talked with your dad about a year ago, so was very shocked to hear of his passing. May you all be blessed with good memories.
