*Hello my dear friends in Texas,*

*I just searched for Wendys number to get in contact again after many years. What I found was this page and the information that she has passed away. Wendy and Ken hosted me 20 years ago as an exchange student. With them I spend very lucky days. This family was so kind, loving, big hearted, good, funny and authentic. Ken and Wendy were true friends. Wendy was a very important Person to me, she will have a special place in my heart always. She is a very special and unique Person. I will always remember the way she laughed. Thank you, dearest Wendy for crossing my way.*

*Dear Ken, if you read this, best wishes, love and goodwill from your daughter in Germany. Many hugs and strength and fortune and health to all of you.*

*With love, Helena*
