“ *Willie Flowers has been a good friend and neighbor of mine for many years. I bought a reconditioned tractor from him 25 years ago and it is still running like the day we made the deal. He was always fair and honest with me. One of the last work he did on tractors was for me this fall when he replaced my fuel filters. He was a mechanical genius. His word and handshake were better than any written piece of paper. My prayers and thoughts are with Sharon and her family. 🙏🚗*

“ I was blessed to know Willie for many years. In fact, he called me his little sister. He was one of my favorite people. I will miss his voice, his precious humor & his love for the Lord. My heart hurts without him in this world.

I was blessed to know Willie for 50 years, not only as a business acquaintance but as a father figure for my good friends. What a blessing he was to Sharon, Deta, Darren and Shellie. What a privilege it was to know Willie. I will always cherish the early morning coffee time and hours long conversations around the table talking about everything from politics to life. He was a great man and a lot fun.

Our thoughts and prayers go out to the family. I visited with Cousin Willie Gene about a year ago catching up on old times when we were kids growing up together and shared cherished memories.
