“ *I met Zero In beauty college. She would bring a big coffee every morning and would share it with me. We became good friends. I got to serve as a bridesmaid in her wedding in 1994. She then was a bridesmaid for mine along with her daughters. I loved her free spirit and love of life. We became separated over time but thanks to Facebook we had reconnected and I enjoyed seeing her live the life she always wanted. She will be truly missed and I am praying for her family and everyone else that will miss her.*

Susan as I always called her worked for me when I owned a pet store in Duncanville. As we both moved to East Texas we crossed paths again and had many great conversations. The news of her passing was such a shock but she had strong faith in Giod so I know she is at peace but will truly be missed
