“ *Zurisaddai was a beautiful angel here on earth who’s story had impacted and will continue to impact the world. She was here to teach everyone lessons and purpose. God gave her the strength and courage to be an overcomer. She was a light in a dark world. She is now running in green pastures and rejoicing in the arms of Jesus. Forever she will be healed beautiful and eternally with her maker. She is a gemstone in this world. My family is thankful for her life and that of her family.*
